

Speaker Bio: MICHAEL POLAKOV / USA

Michael Polakov is a global consultant to practices in Plastic Surgery, Dermatology, and Anti-Aging Biotechnologies, with more than 30 years of experience worldwide. Based in Miami, he is the consultant to top Doctors, Clinics, Private Hospitals, and Medical Societies, regarding the knowledge of treatments needed for developing a "more than five-star" practice.

He is active in the USA, Europe, the Middle East, and also Asia. In addition, as he can communicate in five languages, he has the pleasure to give presentations at numerous Conferences internationally. He also has an honorary Professorship at a Medical University, where he teaches Aesthetic Medical Sciences, with a strong focus on "composite treatment" protocols.
