

Andre Berger, M.D.

A visionary in the emerging field of holistic and anti-aging medicine, Dr. Andre Berger, is the driving force behind Rejuvalife Vitality Institute, a cosmetic surgery and anti-aging medical practice located in Beverly Hills, California. With the strong belief that a balance of cosmetic procedures, anti-aging medicine, traditional medicine, and complementary therapy are the key to our emotional, physical and mental well-being, Dr. Berger is at the forefront of this emerging and innovative specialty.

Dr. Berger received his Medical Degree from University of Ottawa and completed his residency training at McGill University in Internal Medicine and Clinical Pharmacology. Dr. Berger has been Board Certified in Emergency Medicine for over 25 years, and is a diplomat of the American Board of Anti-Aging and Regenerative Medicine and the American Board of Holistic Medicine, and is also an active member of the American Academy of Cosmetic Surgery, the California Academy of Cosmetic Surgery, the American Academy of Anti-Aging and Regenerative Medicine, the American Holistic Medical Association, the American College of Nutrition, the American Academy of Clinical Endocrinologists, and the American Association of Bariatric Physicians.

A prolific researcher and writer, Dr. Berger is the author of the forthcoming book, *'The Beverly Hills Anti-Aging Prescription'*, and several publications including, *Anti-Aging and Rejuvenation from the Inside Out*. Dr. Berger has been published in prestigious medical journals, interviewed by news media, a guest speaker at numerous international aesthetic congresses and trade shows, and an instructor and innovator for many cutting edge cosmetic procedures.

An avid reader and world traveler, Dr. Berger lives and works in Beverly Hills with Tracy, his wife of 30 years.
