

**Dr. Kalpana Sarangi**

Dr. Kalpana Sarangi (M.D. Skin) is a leading practicing cosmetic dermatologist of Mumbai. She is the founder of DKS Clinique' in Mumbai and also the head of the Cosmetology Department of Nanavati Hospital. This is the first hospital in the country to have pioneered a dedicated Department of Cosmetology.

She has been practicing for 25 years. She is also the founder of DKS Clinique' at Andheri West Mumbai.

Dr. Sarangi has had a brilliant academic career and is the recipient of two Gold medals at the national level to her credit. She has initiated several researches and clinical trials on treatments and products pertaining to skin, hair, and nails. She has written numerous articles and contributed chapters to national and international journals, magazines and books. She also conducts workshops and takes lectures for medical students, doctors, as well as for general public awareness. She has a holistic approach towards her subject and aims to reach out to the masses with all the latest treatments available in the field of Cosmetic Dermatology. Closely associated with various cosmetic brands on their scientific launch across Asia.

In September 2006, Dr. Kalpana was one among the six first-ever recipients of the Pantene Shine Award, presented to honor beauty experts who are helping other women shine.

**Her special areas of interest are as follows:**

1. **Acne:** Besides treating acne with medicines, peels, lasers etc, she conducts acne awareness programs at schools and colleges. She suggests tailor-made diet plans, and counsels her patients to prevent complications like post acne pigmentation and scars.
2. **Hair Fall:** Male and female hair fall pattern is also her area of interest. She has successfully treated 90% of her patients with medication and non-surgical treatments.
3. **Skin Pigmentation:** She has given encouraging results for treatment of skin pigmentation using customized chemical peels, microdermabrasion, laser, stem cell therapy, mesotherapy etc.
4. **Skin Rejuvenation:** Dr. Sarangi's mission is to make all her clients **look younger than their age at any age** and skin rejuvenation is especially close to her heart. She has achieved this by encouraging diet and lifestyle changes, counseling on daily skincare regime, and by suggesting anti-ageing treatments like chemical peels, micro needling, skin polishing, laser resurfacing, mesotherapy, stem cell therapy, non-invasive skin tightening by radio frequency, botox, dermal fillers etc.
5. **Laser Treatments of all kind.**
6. **Stem Cells.**
7. **Vitiligo and Psoriasis**
8. **She aims at beautiful skin from within ....**
