

Dr. Amy Taub, Biographical Sketch

Dr. Amy Forman Taub founded [Advanced Dermatology](#), one of the top medical and cosmetic dermatology practices in the US. Recognized for excellence in dermatological care, specializing in aesthetic dermatology, including injectable fillers and neuromodulators, laser surgery including resurfacing, non-invasive body shaping, laser resurfacing, treatments for acne scarring and procedural treatments for acne, feminine wellness, photodynamic therapy and cosmeceutical-grade skincare, Advanced Dermatology has two locations in the Chicago suburbs, Lincolnshire and Glencoe, IL.

Dr. Taub was selected as a Castle Connolly Top Doctor in the field of Dermatology every year since 2013, and chosen by Plastic Surgery Practice Magazine as one of the best plastic and cosmetic surgeons in 2012, was named one of the Best Doctors in Dermatology as featured in U.S. News and World Report, 2013 as well as voted Best Cosmetic Dermatologist in the Suburbs of Chicago by Better (formerly known as Make It Better Magazine) in both 2018 and 2019, as well as best cancer doctor 2019 by Chicago Magazine.

Dr. Taub also founded the website, [skinfo.com](#) in 2002, which was the second skincare store on the Internet. She also opened a physical skincare boutique called skinfo® Specialty Skincare Boutique in the same locations as AD, which employs certified estheticians offering expert help in constructing skincare regimens unique to a patient's individual needs and desires.

Dr. Taub is an Assistant Professor of Clinical Dermatology at Northwestern University Medical School (where she teaches a monthly cosmetic surgery clinic for residents). She is also a member of the American Academy of Dermatology, the American Society for Dermatologic Surgery, the American Society for Laser Surgery and Medicine, Chicago Dermatologic Society, Illinois State Dermatologic Society, the Leader's Society of the Dermatology Foundation, the Amonette Circle of the Skin Cancer Foundation, the Medical Advisory Council of the Skin Cancer Foundation, a founding member of the Dermatologic & Aesthetic Surgery International League (DASIL), a lifetime sustaining member of the Stegman Society of the ASDS and on the Industry Advisory Council of the ASDS. In addition, she is a senior editor at the Journal of Drugs in Dermatology and a peer-reviewer for Dermatologic Surgery, and an Allergan Medical Facial Aesthetic Speaker and Trainer. Advanced Dermatology is a CoolHub location, recognized by Allergan as a Center for Excellence in Coolsculpting.

Dr. Taub is a pioneer in photodynamic therapy, full facial volumetric filler rejuvenation and laser/energy-based device expert, as well as a frequent lecturer and author on the national and international scene, with over 30 original peer-reviewed publications in major journals and 10 book chapters. As a consultant to leading laser and drug companies, as well as a sought-after speaker and thought leader, Dr. Taub educates and trains physicians from all over the country to provide cosmetic and laser treatments.

Dr. Taub has been featured in the media including The Financial Times, The Wall Street Journal, Harper's BAZAAR, Allure Magazine, Redbook, Glamour Magazine, The Chicago Sun-Times, Chicago Tribune, WBBM Radio and [Webmd.com](#), and has taped educational programs for Medscape. She has been seen on FOX, CBS and ABC, as well as being quoted in many websites and blogs.
