

Dr Nicole Chiang  
Consultant Dermatologist  
MBChB(Hons), MRCP(UK)(Derm), PGCert Aesthetic (Distinction)

Dr Nicole Chiang is a Consultant Dermatologist and Medical Director of Lumiere Clinic, Manchester UK. After completing her medical degree, she underwent her dermatology higher specialist training in Birmingham and Manchester. She completed two advanced Dermatology Fellowships in Oxford, UK and Sydney, Australia. In addition, she gained further experience in medical and cosmetic dermatology at the Brigham and Women's Hospital, Boston, and the Cosmetic Surgery and Skin Health Centre, Pittsburgh, USA.

She has published widely in many international journals and is a founding Committee Member of the British Society for Medical Dermatology and British Association of Dermatologists' DermSchool. She is also a Medical Advisor for Melanoma UK.

Dr Chiang has a special interest in medical dermatology, hair disorders and non-surgical aesthetic treatments including the use of energy-based devices.
