

Mr Kian Tan  
Plastic Surgeon  
MBChB(Hons), MRes(Merit), MFSTEd, PGCert Advanced Surgery, FRCS(Plast)

Mr Kian Tan is a Plastic Surgeon and Surgical Director of Lumiere Clinic in Manchester, UK. He completed his plastic surgery higher specialist training in Manchester and also completed the prestigious National Oncoplastic Fellowship at The Royal London Hospital and St Bartholomew's Hospital, London.

He underwent a Fellowship in Cosmetic & Plastic Surgery in Sydney, Australia where he was awarded the Certificate in Advanced Surgery from Macquarie University, Sydney. Dr Kian has also been awarded the British Association of Aesthetic Plastic Surgeons (BAAPS) & British Association of Plastic, Reconstructive and Aesthetic Surgeons (BAPRAS) Aesthetic Fellowship to fine-tune his cosmetic surgery skills at Cadogan Clinic, a leading cosmetic surgery centre in the heart of Chelsea, London. He has also spent further time in New York and Boston, USA learning from world-leading experts in cosmetic surgery.

Mr Tan completed a Masters degree in Tissue Engineering for Regenerative Medicine at the University of Manchester and has published research in the breadth of plastic surgery including in the areas of wound healing, skin scarring, breast cancer/reconstruction and aesthetic surgery. He has over 40 presentations at international and national conferences and has written book chapters in the field. He has won multiple awards, including the John Calder Medal and the Patton Masser Memorial Award for his research.
