

Dr. Amy Forman Taub founded Advanced Dermatology, one of the top medical and cosmetic dermatology practices in the US. Recognized for excellence in dermatological care, specializing in aesthetic dermatology, including injectable fillers and neuromodulators, laser surgery including resurfacing, non-invasive body shaping, laser resurfacing, treatments for acne scarring and procedural treatments for acne, photodynamic therapy and cosmeceutical-grade skincare, Advanced Dermatology has two locations in the Chicago suburbs, Lincolnshire and Glencoe, IL.

Dr. Taub also founded the website, [skinfo.com](http://skinfo.com) in 2002, the second skincare store on the Internet. She also opened a skincare boutique called [skinfo®](http://skinfo.com) in the same locations as her practices, which employs certified estheticians offering expert help in constructing skincare regimens unique to a patient's individual needs.

Dr. Taub was ranked #1 in Illinois and #10 in the nation in America's Best Cosmetic Dermatologists 2022 by Newsweek. Dr. Taub has also been selected as a Castle Connolly Top Doctor every year since 2013. Chicago Magazine has included Dr. Taub on their Top Doctor and Top Cancer Doctors lists every year since was named one of the Best Doctors in Dermatology by U.S. News and World Report and Chicago Magazine. Locally, Dr. Taub has also been voted Best Cosmetic Dermatologist in the Suburbs of Chicago by readers of Better Magazine (2018-2021).

Dr. Taub is an Assistant Professor of Clinical Dermatology at Northwestern University Medical School. She is also a member of the American Academy of Dermatology, American Society for Dermatologic Surgery, American Society for Laser Surgery and Medicine, Chicago Dermatologic Society, Illinois State Dermatologic Society, Leader's Society of the Dermatology Foundation, Amonette Circle of the Skin Cancer Foundation, Medical Advisory Council of the Skin Cancer Foundation, a founding member of Dermatologic & Aesthetic Surgery International League (DASIL), and on the Industry Advisory Council of ASDS . She is a senior editor at the Journal of Drugs in Dermatology and a peer-reviewer for Dermatologic Surgery and an Allergan Medical Facial Aesthetic Speaker and Trainer.

Dr. Taub is a pioneer in photodynamic therapy, full facial volumetric filler rejuvenation and laser/energy-based device expert, as well as a frequent lecturer and author on the national and international scene, with over 20 original peer-reviewed publications in major journals and 10 book chapters. As a consultant to leading laser and drug companies, as well as a sought-after speaker and thought leader, Dr. Taub educates and trains physicians from all over the country to provide cosmetic and laser treatments.
